# The Mystery of the Drained Pool

Read the passage below and answer the questions that follow.

The Seahorses, a talented girls' swim team, were looking forward to their big competition. They had been practicing for months and were feeling confident. But when they arrived at the swimming pool for their final practice session, they were in for a surprise - the pool was completely empty!

All the water had disappeared overnight, leaving behind a dry, barren pool. The Seahorses were shocked and confused. How could
