

Name _____

A Spring Campout

Read the story below then answer the questions.

Last weekend, Sarah and her family went on a camping trip in the woods. They set up their tents near a beautiful lake. The weather was perfect, and they decided to go fishing. Sarah caught the biggest fish she had ever seen!

The next day, they hiked through the forest and saw many animals such as chipmunks, a family of raccoons, and even a skunk! The colorful spring flowers filled the forest. They also had a picnic by the lake that evening.
