Memory Match Game

Getting ready:

This game is played with a partner. Each player should write one spelling list word in each of the boxes below. Then, each player should cut apart the squares and lay the cards upside down in the center of the table. Throw away any extra boxes.

How to play:

Each player takes turns flipping 2 cards at a time and trying to find words that match. If no match is made, turn the cards back upside down. If a player makes a match, they get to keep those cards.
