Last week, my friend Jared and I went for a bike ride to a new area in town. We _____ shouldn't have traveled that far from home. We ended up in a dark _____ were really _____ It was so _____ seemed like the _____ could _____ garage so that no one could bother or _____ us. We were terrified and shaking and we had to get ourselves under _____! Then, Jared had a _____ idea! He thought that because the noise seemed to follow us, but no one else was around, maybe we were the one making the noise! We both took a _____ over our bikes. It turned out that a spoke in my back tire was _____! It was me making that terrible noise all along! We were so relieved that it was a _____ and easy fix. We would bend it back as soon as we got back to my house. Jared and I got back onto our bikes and headed for home, giggling the whole way at how scared and silly we had been. And we made a _____ to never venture that far from home again!
