Geography Worksheet

Directions and Map I

It is pretty empty around my house... Can you help me add more things in my neighborhood? Follow the directions below the map and draw away!

1. Draw a pond on the West side of my house.
2. Draw a tree to the Northwest of my house.
3. Draw a small house to the Southeast of my house on the other side of the road.
4. Draw a car on the South side of my house.
5. Draw a playground to the North of my house.
6. Draw a restaurant to the Northeast of my house on the other side of the road.
