The Enchanted Forest

Deep in the heart of the forest, the trees stood tall and proud, their branches reaching towards the sky. The river meandered through the trees, its clear waters glistening in the sunlight. Birds chirped cheerfully, adding their voices to the symphony of nature. Even the rocks seemed to have a story to tell, as they whispered secrets to anyone who would listen.

Name _____

Exploring Personification Part 2

Questions:

1. How are the trees described in this passage?

2. What does the river do as it flows through the forest?

3. Wh
