

Name _____

Exploring Personification 4 Part 1

Personification is when we give human (or person) qualities to objects or animals.

v.s.

Anthropomorphism is when objects or animals are given human abilities, such as walking upright and talking.

Sample Sentence: The cat smiled and danced after being fed.

The Dog's Day

Nola the dog awoke with a hum and walked over to her owner. She patiently waited for her owner to get ready for their daily walk. As her owner put on the leash she excitedly pranced down the street. As Nola walked she sees another dog she is friends with named Bailey. They sniff and greet each other. They decide to play and run around on the grass.

Name _____

Exploring Personification 4 Part 2
